Dear friends,

May 21, 2018

It is with great respect that we extend our congratulations to the Huong Viet Performing Arts Group's on its concert "Vietnam, Essence of Yesteryear 10" and the cultural sharing of the history and significance of the đàn tranh in Vietnamese culture.

This performance, and the accompanying conference, are wonderful opportunities for your guests from around the world to appreciate the beauty of the Vietnamese musical tradition in America.

Washington is home to 75,000 Vietnamese people who are valuable members of our communities. We are excited that your long history of highlighting your native culture will once again captivate audiences in the Pacific Northwest.

We commend the performers, volunteers and donors who make your events possible. Thank you for being such a vibrant part of the diversity we enjoy in our state.

Warmest regards,
