Welcome from Senator Christine Rolfes

August 2018

It is with pleasure that I extend a warm welcome to the audience, the guest artists and performers, the volunteers and donors to the concert

Vietnam, Essence of Yesteryear 10.

The performance is presented by Huong Viet Performing Arts Group, which was founded in 2001 to promote and popularize Vietnamese traditional music and arts.

Enjoy the show!

To those attending the Dan Tranh conference, I also extend a warm welcome.
